

SPARK TECH PROGRAMS

Connect.DC created SPARK to provide science, technology, engineering, arts, and math (STEAM) training for students in the District of Columbia. SPARK programs give students opportunities to build relevant skills they can use in the District's growing technology economy.

About Connect.DC

Connect.DC is a program in the DC Office of the Chief Technology Officer (OCTO) that makes technology easier to use, more accessible, more affordable, and more relevant to the everyday lives of District residents.
